tournament at 641.660.9159.

The Mahaska Chamber Diplomats were proud to celebrate Sanders & Co Barbering in downtown New Sharon with an official ribbon cutting. VJ Sanders II, originally from Montezuma, IA, whose journey has taken him from Arizona to Kansas City and back to Iowa to pursue his passion for barbering. A graduate of La' James International College and trained by industry leader

Johnny B of Los Angeles, VJ brings 14 years of experience and unmatched skill in men's, women's, and children's cuts. Stop by 105 E Market Street and make your appointment with Sanders & Co Barbering!

Musco had a ribbon cutting with its team and key construction partners to preview the 74,000 square-foot office renovation and expansion at the Oskaloosa Downtown Campus. It's expected to fully open in early August and underscores Musco's dedication to the team, the community, and a shared future. The expansion provides opportunities for connection and learning, as well as space to welcome customers and partners. It includes additional workspace for the team, plenty of conference rooms and collaboration areas, a greenhouse, and a coffee bar.

The centerpiece of the new entrance is a five-foot LED globe, which features photos and videos of people, projects, and partnerships that make a difference in communities in more than 135 countries around the world. A hometown field experience, reminiscent of a football field, includes a demo of Musco lighting solutions and retired seats from Wrigley Field. Several displays throughout the building highlight partnerships, Musco's commitment to youth sports, innovations and evolutions in lighting, and projects and community involvement throughout the years. The improvements also feature outdoor spaces including a green roof and connectors to the other Musco buildings on the downtown campus. A skywalk over 2nd Avenue West connects the expansion to a 424-space parking garage. This multi-million-dollar project marks the company's largest investment in facilities to date.
